

## OUR OCEANS – BIOGRAPHY

Graceful vocal melodies intertwined with dreamy guitar tones. Lyrical fretless bass lines dancing amongst washes of cymbals and clouds of percussion. Our Oceans laces classic singer/songwriter influences with modern, progressive elements. Weaving mindful musicianship and introspective lyrics into an otherworldly and deeply melancholic musical universe.

Our Oceans is a new band from The Netherlands, formed by singer & guitarist **Tymon Kruidenier** (ex-Cynic, Exivious). Joining him on guitars and bass are his fellow Exivious colleagues, **Michel Nienhuis** (Dodecahedron) and **Robin Zielhorst** (ex-Cynic, Mourn). Completing the band is drummer **Jasper Barendregt** (Dodecahedron, Ulsect).

Our Oceans' self-titled debut album, realized through a successful crowd-funding campaign, is on track to be released worldwide November 15<sup>th</sup>, 2015.
